

Sihle Magagula

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a 38 years old South African female. I have a Master's degree in leadership and change management. I am a certified prosci change management practitioner.

I am currently working as a Change Analyst. My scope of work involves developing and implementing comprehensive project change management plans and initiatives within the context of operational and tactical projects within the Financial Intelligence Centre. In this setting, I have successfully worked with organisation's leadership and provided change management input ensuring that the impact fundamentals of change are considered in planning the approach of the project.

Having done a Master's degree in leadership and change management, and International Gestalt Organisation and leadership Development Program have empowered me with good understanding of organisational development and change management principles.
