Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am applying for any job based on finance or administration office assistant , assistant or general worker.

I applied for jobs but I have been turned down.I believe this because I lack experience. A job or learnership will provide me with work experience that I can add to my Cv thereby increasing my job opportunities in the future.Although I am interested in the financial assistant .I lack the skills to be employed there.I want to be employed in this sector because I am good at dealing with people,good communication skills, working under pressure, hard physical work and my minimum requirement is grade 11 .
