Curriculum Vitae (CV)

What job i'm looking for? My positive points

I hold a Bachelor of Arts degree in International relations and Sociology and a LLB degree. I am currently registered at the School for Legal Practice in Johannesburg.

I am a friendly, articulate, hardworking and resilient person who is used to working under pressure and managing an intense workload. My resilient spirit can be seen through my academic transcript. The combination of humanity courses and law has provided me with a fresh and dynamic insight to legal problems, which assists me in finding innovative solutions to challenges faced. The combination has also helped me grow my researching and analytical abilities. The above knowledge and skills are ones I intend to extend to my work as a candidate legal practitioner.

The Covid-19 pandemic, although horrific, has taught me to work under great pressure with minimal supervision. I am a hardworking, resilient individual with an eagerness to learn. I believe that these attributes make me the perfect candidate for the position.
