Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I obtained my Trade in Instrument Mechanician last year. I am constantly looking for a job where I will apply skills I have learned, contribute positively towards company objectives as well as grow from skilled colleagues.

I am am fast learner and contributes positively during team work.

I am all about collaborating and find the problem to any solution

I can also work independently with little to no assistance.

I dream of working for a profound company that gives employees opportunities for growth.

Preferred occupation                      Instrument Mechanician  
Engineering jobs

Preferred work location                      Pretoria / Tshwane  
Gauteng
