What job i'm looking for? My positive points

I am currently looking for a job,as I am unemployed at the moment due to my employment end of contract in 2019 december.I have gained so much in customerservice, administration and PA administration through my entire work experience of 9 years.

I am confident that I can bring what the company is looking for in a candidate with regards to what I have already acquired thus far.

Hope I can be considered for the post advertised,and looking forward to hear from you again.

Kind Regards.
