What job i'm looking for? My positive points

I'm currently working as a barista in pretoria. I'm looking for a job in the North West to be closer to be my family. I work hard and I love a little challenge here and there. I'm a fast learner, a people's person and I would like to think i work very well under pressure.

I love being behind the bar, but I wouldn't mind an opportunity to even be a waitress. I love being in a positive work environment and I believe in team work over anything.
