What job i'm looking for? My positive points

I'm a young woman of age 26, I just discovered my perssion in working with people in physical ground work, I'm currently working as a covid cleaner at a secondary school in mafikeng. That really taught me a lot abt work in group and working alone. I then realized I have a perssion for ground work, hence I want to persue my career in engineering and complete my study's as well, I will be grateful when I'm given this opportunity.

Thank you in advance

Yours sincerely

O J Maseng
