Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for any job you can give me. As i have underground experience. Originally I'm a shuttle car operator and a dump truck operator but I don't have experience on dumping truck only a certificate. I have one year experience on a shuttle car and underground works. I just wanna build a career in mining and as a hard worker i can see that i would achieve my dreams. I'm also a fast learner and i always work hard to get to the target whener I'm on duty. Safety rules are most important majors i use when i work with people and communication skills are good as well . I'm well motivated .

I would like to get a permanent position at your business so that we can both win and please I'm hungry for work .
