Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm 6 foot 2"(1,88 meters tall) & physically strong. I have a 10th grade certificate & I am a very socially developed personality who can find middle ground with just about anybody on the face of this planet.

I enjoy being outdoors & being active. I prefer work that is high intensity as well being that I'm a highly energetic & driven person.

I do not have any specialized skills per day but I'm willing to learn anything in order to make a stable income & support myself & my mother comfortably financially who has been in the nursing field for over 30 years & soon to retire.

I'm a very well mannered & respected person who doesn't not talk too much but I can communicate very skillfully with anyone.

I'm never ruled by my emotions as I understand that it can lead to taking the wrong decisions so I am very capable of putting them aside for the greater good of the team & the task at hand.

I'm a straight forward person who can also gives all people the same level of respect with exception of my superiors who require more recognition.

I'm a fast thinker & once I have my mind set on something, I have very strong will power & I go for it with all my ability until it is achieved or else I won't feel satisfied with myself.

I'm willing to do whatever job that my superiors deem me most fit for & have no problem should they decide to change my positions at any given moment either.

Very adaptable.

Thank you.
