Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a young vibrant person. I work well with other people, as I am a team player. I have the ability to learn new things within the work environment very easily and am always up to a challenge. I am hard working, committed to any task set out for me and dilligent. I was recently retrenched when the covid pandemic hit South Africa, this has been life changing for me in every way possible, needless to say that I am really in need of a job to support my family, my children and to see to many other responsibilities I have committed my self to, with your help.
