What job i'm looking for? My positive points

Dear Employer to be,

I want you to know that all that is said in this letter is true and that I am a loyal person with an attentive work ethic. I have worked hard to achieve the experiences I have accumulated over the years, as seen in my resume and am proud of myself.

I strive to do my best in any task given and always motivate myself and others that I team up with. Importantly, I love to engage with people with customers or the team I work with and keep a firm understanding of, not mixing business with pleasure.

I respect & appreciate that you have taken the time to consider taking a look at the resume.

Looking forward to hearing from you.

Kind regards

Deidre Thomas
