## What job i'm looking for? My positive points

I'm lookin for a general job even though i have a 3 year diploma in business administration from richfield graduate institute of technology but i would appreciate any job position that can be offered for me. As for my experience i did only inservice training from eThekwin municipality in the department of IMU in administration, my training was 4 weeks to finish but i decided to extended it just to learn more in the department. When it comes to work i have ability to understand complex ideas, and adapt effectively to the environment and also learn from experience, to engage in various forms of reasoning and to overcome obstacles by careful thought.
