Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have a background in travel and hospitality. I would not mind post in education where I could assist as a substitute teacher or admin post at the school. I would also be good in a call center or customer relations/ customer services related post. I currently reside in Johannesburg but I am willing to relocate to Cape Town. I have good communication skills(written and speaking), I am able to network on all levels, I am able to work in sales. I am not afraid of new challenges since I adapt and adjust with ease. I work well independently and within a team scenario. I prefer transparent, honest and consistent relationships and systems. This enables me to function more favorably. I do prefer to work from 9 am to 5 pm in order to accommodate for my family responsibilities.
