What job i'm looking for? My positive points

I'm looking for any kind of a job that is available. I'm an unemployed youth seeking a job so cleaner or general work I would appreciate any so that I could earn. I'm a provider at home so by giving me this chance it would be a great honour to me to work with you. I could work even on a pressure and still try and make a standard work for my employer I bind my self with a company's acts and strictly. Hoping to hear from you soon thanks
