Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any job without experience , because I am willing to learn and earn my skills and experience and use that opportunity to achieve my goals of becoming an engineer one day. My position now I am not working I have completed my matric in 2017.I am a good listener , willing to work other pressure , with care on how to work with others and I love challenges, because they make me to work more harder than before.
