Curriculum Vitae (CV)

What job i'm looking for? My positive points

I've been "working" in the care industry since I was a child, as a parent required in home care. Unfortunately, I had to provide a large majority of it. Additionally, I've worked in a residential home for those with disabilities, as well as being an au pair for three years. I've also worked in hospitality in multiple contexts.

Currently looking for a role in which I can build a career with; increase my skill and get new ones.

I am a positive person, always looking at the bright side, thinking about solutions and being proactive.

I take my roles seriously, thinking of things I can do better, and what I can do outside my role to do better.
