Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a fresh first year student , currently studying teaching . I have more experience from my part time jobs and short courses that I take every year . I love working with people and I am definitely a very fast learner . I grew up around businesses at home so I definitely know how to handle customers and I got manager training . I am also in the process of opening my business which is why i need a job so i may have enough capital .
