What job i'm looking for? My positive points

Dear Sir/Madame

I hereby apply for employment as fitter, I have been in the field of maintenance fitting and welding since 2007 upto date though I previously worked as a semi skilled whilst I was still on training.

This experience has taken me to another stage of doing work .

As a result I'm now grown up artisan fitter who now able to do job by myself, at some time with ability to cooperate with other work mate's as we work as team.

Duties and experience

Weekly schedule maintenance (preventative maintenance) for hoist machine, underground locomotive, conveyors, pumps (single and multistage centrifugal pumps, gear pumps, warm slurry pumps) removing and replacing bearing, gear box inspection, and installation of machinery, good house keeping, welding and flame cutting, able to use power tools and hand tools, jaw crushers, ballmills, stampmills, vibrating screens, pneumatics cylinders and valves, hydraulics.

Thank you for your time
