

Mokweng Andy Mashimbye

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am 20 and I've always wanted to be an engineer.

I love everything about engineering and I've also tried to study for it but ran out of funds.

I think i am to be hired because I think i can help change world the to the better in engineering industry.i am good in engineering drawing and that could be a use when it comes to designing or inventing .

I understand easily about engineering because that's what i grew up looking up to be, engineer.
