What job i'm looking for? My positive points

Hi

I am currently a university student(UKZN). I am desperately seeking for a part time job. I believe that everything is possible, that's i always dedicate myself in everything i do. I have learnt so many skills along the way but most importantly is communication skill and respecting other people whether above or below me. I can work under pressure. I believe in making the difference wherever I'm located.

Thank you.
