Curriculum Vitae (CV)

What job i'm looking for? My positive points

To be honest I don't have any work experience as yet, but my main aim in getting the job is to learn how to cooperate with many people which are the customer. I may be young since I am 22 years but I assure you that nothing can stop me from working as twice as required to in order to secure my presence.

As of now I am persuing diploma in law at unisa since I'm the only one who got matric at home that mean I am the only one who can get a job easily than others.
