Curriculum Vitae (CV)

What job i'm looking for? My positive points

At this point I am looking for a secure job. I want to advance my career / experience in a position that allows me to grow as person and employee. I am a Bachelor of Arts graduate, I majored in Psychology, Sociology and Anthropology. This shows that I am a critical thinker, I know how to work with people from different backgrounds with different cultures. As people we think differently and in those different views we can get the views that can benefit the project. It teaches you how to solve work problem, work hard, handle stress and become a good thinker. I doing my honours in Anthropology at Rhodes University. I have Psychology skill, research ,report writing, analytical skill and problem solving skill. I am hard worker, passionate, consistent and disciplined. I love challenges and I have the will to succeed. I am a motivated person. I have the ability to learn fast which will facilitate the training period. My long term goals involve growing in a company where I can continue to learn and contribute as much of value as I can. Once I gain additional experience I would like to move through the ranks of the job. I would like to see myself as an expert of my job description.
