Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a newly qualified (Trade Tested) enthusiastic boilermaker, a self-started and a team player full of determination to see myself growing into a boilermaker giant in a near future.

I have gained working experience in boilermaking, related plant inspections and maintenance required to keep plant running smooth.

I have been engaged into plant maintenance tools such SAP, Inspection sheets, etc., as well as SHEQ compliance requirements of the organization over the past 3 years.

I am able to read and interpret engineering drawings with the aim of developing a given task to final product.

I am a firm believer in the adherence to Occupational Safety regulations governing my trade, which include lock out procedures, use of correct PPE, doing HIRA before commencing with work, etc.

Preferred occupation	Construction jobs
