Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a general work, labor work or cleaning job.

I am willing to develop a sense of purpose of the job I will be doing, I will surely gain most if not all satisfaction when I am challenged as that will give me an opportunity to learn, develop and meet the company's goal and clients' expectations. I am full of life and always willing and eager to try and learn new things every day. I am an active listen, I ask for clarification, speak clearly and concisely, use humor to engage with people, use medium instruction language, mindful of the tone I use. I can also read, write, and speak fluently English as a medium instruction used language, Sesotho as my home language, Setswana and I can hear Zulu and Xhosa.

I take part in assisting students who are in Grade 12 to apply for higher institutions and with bursaries, such as NSFAS for free of charge. With the help of my friends, we ask for donations (clothes to be specific) and donate them to the less fortunate people in our community back at home in Bothaville.
