What job i'm looking for? My positive points

I'm looking for a job that will provide me with growth and something that will keep me busy and active. I want a thing that will challenge me at the end of the day.

I'm a hardworking person so I'm willing to work under pressure. I'm very dedicate coming to my work so I'm a very punctual person and always up to date with my work.

Don't like to stay behide with my work. Whatever I start working on that day, I must finish it on that day and start tomorrow with something new. Thank you
