## What job i'm looking for? My positive points

I'm a hard worker, friendly person and talkative. I'm that person if I don't know something I ask another person to correct me, especially when it comes to cleaning. I really loved the place that is very clean all the time because I worked at Sedikwa guest house. It was the best guest house that is clean all the time. The people there really loved that place because it was very very clean.
