Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently a college student, so due to this I am unable to get a full-time job, unless if it is an online job. Besides an online job, I could do an part-time job or weekend job. I am young and in need of work therefore I am willing to get the job done. I am an honest and hard working person. I believe that all work no matter how big or small should be done to the best of one's ability, as work ethic is of paramount importance, and excellent work ethic means excellent results.
