What job i'm looking for? My positive points

I'm looking for general job because I was working at pep store as a general worker and a cashier but the problem is that I was a casualty worker so I need work where I will be working everyday I'm a hard worker ,punctual person I'm willing to work retail hours I make sure that in every thing I do I go extra mile and I'm a dedicated person in everything I do I'm willing to work under pressure and I'm good at communicating with customers and I like team work because we grow together and what I know in workplace is that honesty,passion, resourcefulness is what lead to successful team at work now I'm on learnership of transportation clerk but they allow us to look some jobs on the other side while you studying I'm really looking forward to find this opportunity I promise you that you won't regret by choosing me.
