Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any jobs related to finance as I'm a finance student currently writing my final exam for N6. I wish I finished month end. I have studied financial accounting, Cost management accounting and computerised financial system. In a computerised financial system we learn payroll and also to do budgets different kinds of budget. I am a person who is dedicated to her work. I firstly did system development after staying at home for a while jobless I decided to go back to school and do something else that's when I start doing financial management. If you hire I will be the best assets in your company. I will put too much effort the task given me to complete.
