Curriculum Vitae (CV)

What job i'm looking for? My positive points

Delivery Driver. I'm a student but recently dropped out of school, I was doing my 1st year in Bachelor of Law but I've got some responsibilities on my shoulders and I need to get employed. I'm interested in driving and I believe it's what I enjoy besides doing music. I'm currently working on my driver's license, I only got a learner's license but soon getting a driver's license. I'd appreciate a Job at Transnet even if it's a General Workers Job I'd be fine with that as well.
