Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a hardworking person who is willing to take risks, friendly with people and also I'm willing to relocate if it important. Growing up poor made me the person I'm today. I'm currently doing my Level 4 at a college doing Finance Economic and Accounting, as this is my final year I think it would be appropriate for me to start applying for jobs. Considering me would be also a great benefit for the company itself.
