Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job that allows me to work form home and that I can do part time to bring in extra money to my household. I am currently working full time where I manage a store full of stock and apart from that I am in partnership - owning a fitness studio and giving classes myself.

I am trustworthy and hardworking and would always stand first in line to learn something new.

I would like to become a mom soon and therefore would do anything to be able to provide only the best for my family - even if it means working 3 jobs to accomplish that.
