What job i'm looking for? My positive points

I am a university student and I am looking for a weekends waitress job. I am willing to create a very good image for waitress services at a workplace as it is really my wish to see every customer enjoying their experience at the restaurant. I have a positive attitude to every work I do, as I want nothing but success in everything I do. I need this job to open my career opportunities as I will gain alot of experience from this work.

Yours faithfully
