Curriculum Vitae (CV)

## What job i'm looking for? My positive points

My name is Onelisiwe Monelo, born and bred in the disadvantaged streets of Khayelitsha, Cape Town. I am 18 years of age and I attended at Cape Town High School. I am legible for employment by any institution because I am a hard worker, I have high morale and confidence in myself. I am a very determined and focused person. I work well under pressure, and have been recorded high with punctuality. I love working with people, and I easily adapt to any kind of environment as I love meeting up with new people. My weakness has to be the fact that I am a perfectionist, I feel at all times that everything I do must be top class with no mistakes which sometimes takes away from my free time, and negatively impacts my social life. I am a very straightforward person, I believe in being honest, and transparent about my feelings at all times.
