

Phumlani Mkhathshwa

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a humble and respecting young man who take his job serious.

I was born in Swaziland but now I stay with my aunt in South Africa, Malelane.

I wish I could get this job and take this company to another level, although I do not have enough knowledge about the company operations, but I am too fast at learning how to do things I have not done before.
