What job i'm looking for? My positive points

I would like to be hired as a driver because I'm a good driver and I've been working as a driver for school children and other odds jobs of driving when people need transportation, im also good with hands as I have over 8 years as a bricklayer building construction. I learn quickly to adjust in any job,retail and assisting in fixing of cars and starting small businesses like selling carpets,blankets and socks during winter seasons plus selling ice cream and snacks. I'm good in learning new jobs and work it to make profit or get good records on a job I'm hired for.
