What job i'm looking for? My positive points

I'm looking for any job that would offer me experience in the working world. I just completed my matric year at D.F. Malherbe High and im currently unemployed. I'm an adaptable person doesn't mind learning new things from other people. I take a great deal of importance in my appearance to look neat and tidy and im a friendly person. People always tell me they like my energy. I've got four younger siblings and I look after them all when my mom is at work so I'm great with childcare and babies.
