Computer knowledge

I am a confident and capable working with computers and software and to work as a banksman or stagehand (no blasting ticket) more than ten years' experience in a range of mining operations. I have a solid understanding of all core off mining and shaft operations and responsibilities and computers. I am friendly and approachable, and I learn new skills fast.

I am now searching for new employment after my short term contract end in august 2019 while providing care for my fiancé and son, but am now ready and motivated to restart my career as soon as I can get employment. For the past months I have taken on volunteering work as to fix computers from home to provide food on the table and im working for a contractor in Rustenburg as a site manager for African engineers but for September and for October we did the work but haven't received our salaries I will do anything in life to support and to search new employment to provide for my family with my skills and my knowledge I will not stop looking and searching with help from above.

ONLY ACCORDING TO COMPANY STANDARDS AND REGULATIONS

I am a well-spoken dedicated person always striving to improve in my professions as a team player. I work very well with people; my sense of sincerity always seems to attract people around me while my challenging personality is always looking for new adventure or improvement on current projects and duties. I have a strong personality and a great will of motivation for not giving im willing to relocate also.please vtake my cv consideration.

Conferences, seminars

IM CONFIDENT WITH IT OF LEARNING MORE SKILLS I HAVE DONE MY CONVEYOR BELT -FIRST AID TRAINING -LEGAL LAIBILITIES AND IM A TEAM PLAYER.
