Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for a job that enables me to attend school as well as earn and save up for my future education. I for one enjoy reading books, listening to music and possibly anything that would help me broaden my knowledge spectre. I am really good at spelling and editing texts, as well as listening for potential internet breaking melodies. I dislike overcrowded spaces and my handwriting is not the neatest.
