

Ntombikhona Dlamini

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have completed all my S4 modules in electrical engineering department at Mangosuthu university of technology (process instrumentation which is light current) and i did complete in-service training on (06/06/2021).

I've been fortunate enough because I find my self getting learners hip program in chemical operation L1,where we deal with chemicals and I'm current on it .

I have completed the employability improvement training short cause where I learned to understand the work workplace and to solve problems and I'm self-motivated individual passionate consistent and hardworking individual who's willing to work under pressure and with commitment and I'm willing to enhance my knowledge and skills in electrical engineering industry.

I'm looking forward to hear from you.
