Curriculum Vitae (CV)

What job i'm looking for? My positive points

Dear Transnet Employer,

My name is SKHUMBUZO Zondo, and I'm excited to apply for the position of paralegal at your company. I am a recent graduate in diploma in law, and I graduated from the University of South Africa in 2021.

I'm eager to enter the workplace, and I meet all the academic requirements mentioned in your job posting.

I have a great interest in Labour law, and I'm also capable of providing fantastic basic legal advice on labour issues as well as on other legal related matters. I'm also prepared to work under pressure when a situation requires me to do so.

During my final year of university; I assisted more than ten community members with basic legal advice, by using my legal knowledge which I have arduously acquired during the course of my study at university, on both criminal and civil matters. Fortunately, I was able to successfully assist them.

For this above reasons if I could be granted the opportunity to occupy this position, it would be a golden opportunity for me to put my knowledge of law into a full operation.

As a recent graduate, who is willing to share my legal knowledge, with your company and also ensure that every employee in your company performs his or her duty as required by Labour Relation Act in order to meet your required work standard, therefore, working at your company would definitely benefit you a lot and also achieve my goal as stated above.

I look forward to putting my knowledge and skills to use as a productive member of your company and learning from the best in your industry. In an interview, I would love to discuss my short-and long-term career goals and how they align with your company. I await your call

Sincerely

SKHUMBUZO N ZONDO
