

Deon Visser

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Please accept this letter and accompanying CV, as an expression of my interest for the position offered by your company. I obtained my Mechanical Engineering Diploma at the Central University of Free State. I have a strong background in the principles of engineering methods and practices in mechanical systems, design's, testing and troubleshooting in mechanical equipment. My work experience in the manufacturing, engineering (Southern Cross Industries, JJ engineering), FMCG industry (ITAU Milling) and academic background has given me not only a strong technical foundation, but also knowledge and exposure within the working environment. I am a fast and accurate learner, a hard worker with a keen eye for detail and I would be very grateful for the opportunity to progress to further developing of Mechanical Engineering skills. I am able to take on the responsibility any position immediately, and have the enthusiasm and determination to ensure that I make a success of it. Thank you for taking the time to consider reading my CV and I look forward to hearing from you in the near future. Yours sincerely
