Curriculum Vitae (CV)

What job i'm looking for? My positive points

Am currently looking for a job that can take me from one level of life to another...be able to maintain certain urgent standards of life. a job that will elevate me put me in a different environment I never experienced...a job that will skill me further in life so as to be able to further skill others...am a hard-working person very reliable observant in everything that am occupied with or told to attend...my weaknesses "don't have a NO to whatever am instructed to do by the seniors" as long as it's work related...my strength I don't stop until I get what am seeking...my educational background only have matric it became impossible for me to further my studies due to financial situations at home...am hoping to get a job that will not only give me extra financial help but be able to educate me further
