Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I love working with people, helping them and I know how to manage different behaviors of individuals. I am confident and have good communication skills which enables me to deal with different behaviors in a work place. I don't have much experience, however. I am exposed to working with Microsoft Offices such as Word, Excel, PowerPoint, Microsoft Publisher; and office admin duties. I am willing to work as twice as hard for the opportunity being given to me.
