Curriculum Vitae (CV)

What job i'm looking for? My positive points

As seen from my CV I have worked in many customer service positions for years which I believe taught me how to provide excellent customer service. I have worked as a safety officer at Bid Air company, a legal assistant at Mametja Associates, a waitress at a restaurant and I have worked as a flight attendant for South African Airways for 8 years and 11 months.

I have also developed my analytical skills and ability to read, manage and present data over the years. Your job listing states a need for someone who possesses interpersonal skills, good

communication skills, and the ability to work in a pressurised environment, all of which are areas I believe I have extensive experience in after my gained previous work experience. These positions have helped me gain all the skills that are required for the position. I am confident that my previous work experience reflect my uncompromising drive and commitment and will make me an immediate asset to the company.

I look forward to hearing from you. Yours sincerely
