Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I go by the name Kutlwano Khutlane preferably Kay Kay, previously in 2021 I was a student at Rosebank College as I passed all my modules with flying color's which I've gained theoretical experience however due to Financial issues at home I couldn't complete my full academic year to obtain a higher certificate in event management which was a tragic period for me. This application serves as a second chance for me to make something of my life as I'm still young and full of ambition to be successful, to contribute to the growth of society as a whole. This position may come across to be big for me however I see it as a once in a life time opportunity as I strive myself in confidence to deal with any situation carried unto me. People see me as an extrovert as I enjoy being of service to clients and customers with great interpersonal skills, communication skills and team building skills. I love travelling as it has been a childhood dream to witnessing amazing countries like Switzerland where The Swiss Alps mountains are as I love & care for nature, Spain where bullfights are part of the spanish culture which I'm open to learn and not forgetting my dream location France specifically Die Franse Riviera at the France coast line which is one of Europe's and the worlds most oldest and modern popular holiday resort areas. I love the world as it's mine to live and enjoy, I have enclosed my resume/CV as requested and I look forward to receiving your reply. I am available for an interview at your convenience; I can be reached at 067 929 6664 or a message can be left at any time. email address kutlwanokhutlane8@gmail.com
