

Hennie Johnsen

Curriculum Vitae (CV)

What job i'm looking for? My positive points

As a highly focused, assertive, and innovative individual, I am committed to productivity and performance improvement. Displays concern for task completion and the organisation of people, time, money, and other resources to achieve the desired results. This I attained through offering a practical approach to delivering high quality work whilst working towards tight deadlines. I have a pro-active attitude and therefore ensure that we are results-driven and self-motivated within high volume work areas.

My objective is to ensure that all projects undertaken are completed with accuracy and commitment to the principles of good governance. Having the ability to adapt to changing situations, I continuously strive for quality output together with repeated and consistent delivery. In addition to my ability to work independently as well as part of a team, I offer effective problem-solving skills and tolerance of high-pressure situations.

I am always able to successfully multi-task whilst remaining highly professional, focusing on providing full value and input to the benefit of the organization, whilst simultaneously sharing knowledge. With excellent listening and liaison skills, I can communicate successfully with others and am capable of negotiating across all levels of management.
