

Zolisa Mkhwambi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

As a National diploma in information technology and N3 in Mechanical engineering holder , I hereby which to apply for the intern or full time job that is available in your organization. I strongly believe that I would be of great

assistance to your organization as I am capable, young, and energetic person with unlimited knowledge, always willing to learn relevant and favourable qualities to perform the job competently and effectively.

I am ambitious, goal driven person who is intelligent and diligent, an ambitious hardworking man who love challenges and willing to learn new things every day. I am able and willing to work under pressure to deliver and achieve set of goals. I have patience, good team player as well as ability to build and maintain good relationship with stakeholders and other team members.

I am a good problem-solving and tackling problems head-on. Furthermore, I believe that my skills can play a vital role in your organization. In addition, I am certain that I can bring positive changes to your organization by coming up with innovative ideas, only if I am given chance to prove myself. As an extension of my inclination to analyse everything, I intend to analyse my actions as well.

I hope that my application will find a considerable attention that will result into a positive
