What job i'm looking for? My positive points

I am looking for any kind of a job that can make me grow my experience. I have N6 for building and civil engineering. Which I completed 2015. After I complete my N6 I was busy applying for practicals, until I apply for a hospitality learnership. From 2016 to 2017. And 2019 I was on a contract under civil engineering which I was busy doing site levelling, settings out and bill of quantities. I am very fast learner.
