Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm an experienced code 10 driver with valid drivers license for more than 10 years. In this time I have not registered any motor vehicle accidents. I don't own a valid pdp at the moment but this can be acquired if need be. I'm a qualified pc technician as well with an international qualification in A+ 901 and A+ 902. I'm positive that I will only be an advantage to anyone that hires me. Efficiency is my main aim.
